

Wedding Case Study

A MAY WEDDING IN GUERNSEY

St. Saviour, Guernsey

We love weddings...

We produced a glorious, informal, “country chic” wedding in Guernsey. Seasonal food, sensational entertainment and colourful flowers in a rustic setting.

Creating an event abroad can present complex logistics, but our skills are well-honed thanks to our experienced team in the office - and our team on site.

After a series of meetings in Guernsey, we put our plan into action...

4 x 40ft trailers of equipment had to be brought from the UK by ferry and off-loaded on to smaller lorries in Guernsey to shuttle equipment along the island’s narrow roads.

We built a traditional poled marquee in the client’s garden with a bespoke leaf patterned lining, rustic oak tables and cross-back chairs with colourful seat pads.

Our trusted florist, Paul Hawkins, worked his magic in the marquee, dressing the tables with informal summer flowers and scented herbs.

TEPI, one of our favourite UK caterers, provided a delicious wedding dinner which included locally sourced fish and lamb, followed by a delicious “midnight breakfast”.

The ceremony took place in the elegant St James Hall nearby. Paul created a breathtaking Chuppah with fresh flowers from Covent Garden in vibrant shades of purple, pink and blue.

After dinner, Shir, a traditional Jewish band played for Israeli dancing and the sensational Supertones band alternated sets with a William Bartholomew DJ for the rest of the evening.

WILLIAM BARTHOLOMEW PARTY ORGANISING
